The Forward O. P.

Things to remember: The primary election June 1st; the Morongo Valley Barbecue and Dance on Memorial Day; the ball game Thursday night.

Since the County sweeper has been here the main stem is twice as wide as it used to be. Assessor McCurran was in town last week getting the dope for next year's tax lists. Wouldn't it be nice to be a bank clerk next week — Sunday, Monday and Tuesday are all holidays.

Fred Marble tangled with a side-winder last Friday but Doc Fairbanks took the sting out of it. Couple of new ball players will be eligible to play with the Cubs soon.

The Personal Touch

Mrs. Corehn Dearborn of Los Angeles, a student of Spiritual Philosophy, was a guest of Mr. and Mrs. G. A. Lindberg for the past week.

Accompanying William Nash, district telephone manager from Palm Springs, to Joshua Tree last Wednesday were A. C. Belden, editor of Life Lines, of San Francisco, and Mr. Pendergraf of the California Water and telephone Company. In addition to editing the Phone Company house organ, Mr. Belden is the advertising manager. They visited the Journal office and the local telephone exchange.

Duncan Wins School Election

John L. Duncan, Joshua Tree real estate broker, was top man in a field of three candidates at the school election held in the Morongo Elementary District last Friday. Duncan succeeds D. F. Geil of Morongo Valley whose term expires June 30th.

Voting in the district was light, only 332 electors having cast their ballots. The candidates and the votes received were John L. Duncan, Joshua Tree, 146; Julius Boldizsar, Yucca Valley, 94; and DeFaus Geil, Morongo Valley, 92. 29 Palms had no condidates in the race. Two board members, William Stubbs and Mrs. Van Nest, are residents of the Oasis community.

The vote by communities was Duncan — Joshua Tree 123, 29 Palms 20, Yucca Valley 3, total 146; Boldizsar — Joshua Tree 6, 29 Palms 5, Yucca 83, total 94; Geil — Joshua Tree 1, 29 Palms 56, Yucca Valley 35, total 92. Residents of Yucca Valley, Morongo Valley and Pioneertown voted at the Yucca Valley polls.

At the same election voters cast their ballots for two members of the Victor Valley High School board. The incumbents, R. W. Hitchcock and R. M. Wilson polled high votes in the local precincts. Results thruout the rest of the High School district had not been learned at press time. In this area the results were; Hitchcock 161, Wilson 155, Conder 41, Hamersley 34 and Casto 30.

The polls were open from 7 a.m. to 7 p.m. The Joshua Tree election board consisted of Mrs. Mary Burson, inspector, and Mrs. Julia Overbay and Mrs. Nancy White, judges.

The newly elected trustee has been a resident of California for more than twenty years and a Joshua Tree resident for three years. In a statement to the Journal Duncan said, "I will do all I can to learn the duties of my office and to assist the other members of the board in giving efficient, satisfactory service in the administration of the affairs of the Morongo School District."

Womens Club Plans Kitchen

With the approval of the Joshua Tree Community Association the Womens Club will use the money earned at the Turtle Races to start an addition to the Community Hall. President Sarah Mitchell announced to the Journal that the members voted to build a kitchen on the Hall for the use of local organizations. At the Club meeting last Friday in the Bunker Clubhouse plans were made to coordinate their activities with the Community Association plans.

Mrs. Henrietta Pepper was appointed chairman of the Building Committee.

Hostesses for the day who served refreshments after the business meeting were Mrs. Mable Fields, Mrs. Josephine Branthoover and Mrs. Evea Cook.

Joshua Author To Tour Latin States

Lars Moen, Joshua Tree author and Hollywood writing instructor, will spend three months on a tour of Mexico and Central American spots this summer. He will leave on June 19th for Carlsbad Caverns, Laredo, Texas, and then head into our sister Repubilc via Monterey and Mexico City. Taxco, Cuernavaca, Acupulco and Oaxaca are on his itinerary. Moen intends to take color photographs of the Mayan ruins at Tuxtla in Chiapas and at the famous temple of Chichen Itza.

Train, plane, boat and bus will be used by the writer-photographer on his tour. Moen will fly from Guatemala City to Merida in Yucatan. From Progreso he will board ship for New Orleans, then go by train to Washington, Philadelphia, New York and Boston.

The traveler will see his publishers in the east before returning to California next fall.

Lions Choose Al Hardesty

Al Hardesty, long time Yucca Valley merchant, was named president of the Tri-Valley Lions Club at their annual election held at Bouchey's last Wedensday, May 19th. Tommy Bouchey is the retiring head.

The Lions named as their other officers C. C. Brown, 1st vice president; Ken Smith, 2nd vice-president; Charles A. Mitchell, 3rd vice president; Sam Lafferty, secretary; Kenneth L. Williams, treasurer; O. D. Thomas, Lion Tamer; Tom Humphreville, Tail Twister; and James Freeman and Gray Krumcke, directors.

Following the election the Lions were entertained by a floor show and several special attractions.

Meetings will continue thru the summer months on the first and third Thursdays of each month.

Cubs Drop Game to Broilers 9 to 5

Bunts by the Broilers and errors by the Cubs gave the former a 9 to 5 victory at Gilpin Field in 29 Palms last Wednesday. A chill wind kept the attendance down to a couple of handfuls. Altho the hits amassed by each team were equal the Smoke Tree nine profited by the sloppy fielding of the Cubs. Stratton, on the mound for the Broilers, had the Joshuans popping up all over the lot or knocking easy grounders to the infield.

It looked good for the Cubs in the first when Miller and Arch were both safe on errors, but Leyhe lined out to Summers, Garry popped up to Joyce and Humphreville grounded out Lithgow to McDowell. The Broilers got two on when Summers and Stratton each bunted the first ball safely. Fogler reached first on Leyhe's fumble and Summers scored. Stratton came home after Garry caught Ellis' long fly. Fogler scored the third run when McDowell singled to center. Mitchell struck out and McDowell was nabbed trying to steal second.

The second frame was scoreless. In the top of the third the Cubs still had not solved Strattons effortless heaves. The Broilers tallied three more on a brace of hits and the two Cubs miscues. In the fourth Leyhe singled for the Cubs and romped home ahead of Garry after the latter hit a home run for the first Cub scores. The Smoke Tree batters scored two more on a walk, one hit, a wild heave by Ojala and a fielders choice.

The Cubs could only push one run across in the fifth. They got three hits but the Broilers played airtight ball to leave three stranded on base. Two more runs were added by the Joshuans in the sixth as Bethel was safe on an error and scored when Marble doubled. Miller was walked and Arch brought Marble home with a long single. The Broilers added one more in the sixth and then retired the Cubs in a row to end the game.

Marble, Cub pitcher, struck out 2 and walked 1, but was nicked for 9 hits. Stratton hurling for the Broilers struck out none, walked 1 and also gave 9 safe hits.

Marble led the Cub hitters with two blows in three times up; Arch also hit twice, and Miller, Leyhe, Garry, Humphreville and Bethel each got one. Garry hit the only legitimate homer of the game.

Stratton hit three for four to lead the Broilers; McDowell hit twice, and Summers, Fogler, Mitchell, and Joyce each got one.

Four errors were committed by the Broilers and the Cubs fumbled a total of seven times.

Bailey, Powell and Curry were the umpires.

The Cubs line-up in batting order was Miller, 3b; Arch, rf; Leyhe, ss; Garry, cf; Humphreville ,1b; Ojala, c; Bethel, 2b; Harmon, lf; and Marble, p.

The Broilers line-up was Summers, 3b; Stratton, p; Fogler, c; Ellis, lf; McDowell, 1b; Mitchell, cf; Joyce, 2b; Lithgow, ss; and King, rf.

J. H. Rice Gets Electrical License

Baseball Results Last Week

Tom Nicoll and his Druggist teammates tamed the Wildcats on Tuesday night by a score of 10 to 4. It was fairly even until the last two innings when the Kenneymen cinched the game with a six run barrage.

In a wild scoring game between the Oilers and the Character Roomers everybody hit and ran except the umpires last Thursday night. The oilers greased the skids under the Sport Center nine 31 runs to 11. The losers and the Cubs are sharing honors in the league cellar.

Car Hits Horse, Riders Unhurt

David and Charlotte McCracken of Morongo Valley were shaken up but not hurt when the horse on which they were riding double was struck by a car about a mile east of Morongo Lodge last Saturday evening on the 29 Palms Hiway. The horse had to be destroyed. The driver, whose name was not learned, stopped to make sure that the youngsters were not hurt.

Pansy Deland and Phillip Scott were riding other horses in the group. Apparently the horse that was hit was crowded into the path of the oncoming car. The animals were the property of J. C. Scott of Morongo.

TONIGHT I'LL WRITE

Tonight I'll write the greatest
poem
That I have tried to write;
Tonight I'll try to tell the world
That love and truth are might.

Tonight I'll write a vivid poem,
That all the world may see
That God, alone, still holds the key
To set enslaved men free.

Tonight I'll write a poem of joy,
That even those most blind
Will see the surest way to peace
Is love for all mankind!

Church Corner

Dr. David C. Williams read from the Book of Acts, 20th chapter. The sermon was based on the 35th verse, "it is more blessed to give than to receive." So many of us only think of this phrase in terms of money when we can give so much more — our love, our time, our talents, for the establishment of God's Kingdom on Earth.

A meeting was called to order at the close of the sermon. The contractors for the new church, Wright Brothers of Desert Hot Springs, made a report on the progress to date. They are going to start the Desert Hot Springs church by the middle of June and then come to Joshua Tree and start on our Chapel. We will have exercises for the laying of the cornerstone some time in June and next fall we will be in our own building.

WHEN meeting people face to face the various parts of us which make up our personalities, such as voice, eyes, smiles and manner, work together as a team to create a good impression . . . but when we meet people over the telephone we must depend almost entirely upon the voice—plus a few other little things. Here are some simple steps which help make friends by telephone.

When calling be sure to have the right number—memories play tricks sometimes. When the telephone rings, answer promptly . . . but when you are doing the calling yourself, give the other person time to answer—don't hang up too soon. When using a dial telephone wait for the dial tone before dialing the number. Speak plainly and unhurriedly, just as you would in ordinary conversation—lips about a half inch from the transmitter. A normal tone of voice is best—whispering is indistinct and shouting distorts words and may make your voice sound gruff and unpleasant. When you have finished talking, and are sure the other person has finished too, hang up gently.

A good telephone technique smooths the kinks out of conversations and speeds up service all along the line.
